High-Speed Chase Leads to Arrest of a Suspect in Possession of Gun and Illegal Drugs

After locating the suspect vehicle with Flock LPR cameras, law enforcement was able to track and ultimately apprehend the suspect in a pursuit reaching speeds of 170 mph.

Flock LPR Cameras Aid in the Investigation of Bank Robbery

With details from witnesses, surveillance cameras, and LPR cameras, investigators from Waukesha County SO were able to arrest two suspects accused of the bank robbery.

Here's what you missed on the blog

Amplifying Intelligence-Led Policing

The Fort Worth Police Department has significantly enhanced its operational effectiveness through the implementation of Flock Safety's Real-Time Crime Center (RTCC) technology. This integration has led to over 2,227 calls leading to arrests and the seizure of 417 firearms from 2021 to September 2023.
